SWA - OVERALL RULES - For Participation in the Year-End Awards

1. Membership in SWA must be paid and current for ponies or Cobs to be eligible for awards and accumulate points. No retroactive points to be assigned, points only accumulated after the date membership is paid (or postmarked if mailed). 2. The same number of points are earned for classes in Bronze, Silver, or Gold rated shows. 3. You must attend a percentage of shows offered during the year to qualify for year end awards. This depends on the number of shows offered and can change from year to year. If SWA has more than 2 shows, attendance at 2 is required. You can not attend only one show and be eligible for the awards. If we only have one show, there will be no year end awards offered. 4. Ponies or Cobs must attend at least two SWA sanctioned shows to qualify for an award, not necessarily in the same division at each one. (exception is equitation classes) 5. The same number of points will be given, no matter how many entries show in a class. If one entry shows, that entry will receive 10 points. Our system was set up that way to reward those who show consistently at our shows, and we prefer to encourage those who actually show up by not reducing their points when others whom they have NO control over, do not show up. 6. Our point awarding system is as follows: First place=10 pts, Second place=8 pts, Third place=6 pts, Fourth place=4 pts, Fifth place=2 pts, Sixth place=1 pt

Championships for performance classes, and Halter Grand Championships receive 4 points for Champion and 3 points for Reserve. To receive these extra points there must be three entries in the classes for performance, and three exhibitors in the Halter Grand class.
